raising the standards

energy efficiency.  
up to 92%

flexibility.  
interchangeable PSU modules

innovation.  
gallium nitride (GaN)

clip in. clip out.  
din rail mountable

## specification.

- Full current to load
- Available in 12VDC and 24VDC
- Additional battery charging
- Deep discharge protection
- Current limiting
- Short circuit protection
- 230V fused input
- Mains transient protection
- Compliant to EMC EN61000-6-1 & 3
- **Up to 92% energy efficiency (reduced running costs and lower power usage)**

## features.

- Switchmode technology
- Din rail design for greater versatility
- Mild steel construction
- White powder coated
- LED Indicators (mains, batt, output)
- Separate fused main connectors
- Full electronic protection
- Onboard tamper protection
- Converts power more efficiently
- Multiple cable entry
